You will attract fees and charges for each and every single trade that you place, whether it be to open or close a position. Therefore, please ensure you understand the fees and charges that you will incur before trading. Please note that there is a £2.50 internal compliance charge per trade as listed above.

*Please be aware that trading in non-SETs stocks on the London Stock Exchange will incur a minimum charge of £40. Please ask your Broker for details or you can view a full breakdown for each security by logging into your account on the SAXO trading platform (under Trading Conditions).

**Collected by the Panel of Take-overs and Mergers (POTAM).

***Tax treatment depends on your individual circumstances and may be subject to change in the future.

****With CFDs an interest premium is charged on long positions held overnight. For short positions, the interest is paid to you.
